

Scrappy News!

Welcome to the Autumn Edition of the Wiltshire Scrapstore's own publication; Scrappy News! We have had a brilliant summer with lots of fantastic things happening!

We had a visit from a real, live television celebrity. If you are an avid fan of 'Swashbuckle' on the CBeebies channel (and who isn't?), you will have been here at our Pirate event. The lovely Gem from Swashbuckle came to visit for the whole day and we had two sessions of storytelling and craft. We even had one lad tell her he was her biggest fan!!!

Our lovely little shop in the village of Lacock is currently closed. It got completely flooded when we had bad weather last month and is still drying out. Unfortunately, we are in the hands of our insurance and landlords as to when we can open again. If you are desperate for some of our handcrafted items, why not visit our webshop:

Or, our eBay shop:

Our marvelous scrap has been seen far and wide (well, Chippenham and Glastonbury!) We had a stand at the Chippenham Folk Festival and made a car for Toad of Toad Hall over the long Bank Holiday weekend. One of our faithful members even took photos of our scrap being used at the Glastonbury Festival and posted them on our Facebook page!

Our Adult and Children Workshops have proved a hit over the summer too. Our Leather Workshop has been a bestseller, with it selling out just hours after being released! We now run a 'Leather Club' for those who are serious about their leather – ooo-errrr missus!! The children have been thoroughly spoiled with our Saturday Art Clubs, with activities such as Musical Instruments and Scrapbook making, there really has been no excuse for a visit to the Scrapstore this summer!!

Our Social Enterprise department have certainly been busy! They are like fashion designers, always working one or two seasons ahead. They are currently working on our Christmas stock at the moment. As well as the seasonal items, they are making 'do it yourself' kits, where all the 'ingredients' are in the pack, ready for you to put together. Many people are buying these as stocking fillers or to go in party bags!

Is your group holding a meeting soon? Are you having a celebration? Do you need to hire a room for any reason? We have two rooms here that are available for hire. From just £10.00 per hour (excl VAT) you can have the use of one of these rooms. We will even throw in some refreshments if you play your cards right! Contact us on 01249 730011 to check on availability.

Our Birthday parties are big hit with children and parents alike, the children because they get to do some great creating and making and the parents, because all the mess is left here! The cost for one of our birthday parties is £138 (incl VAT) and is an hour and a half long. This price is for a maximum of 15 children, with each child receiving a party bag from our special 'Children's Scrapstore' so they can carry on the creating at home!

All the details for our birthday parties are on our new super-duper, updated website; www.wiltshirescrapstore.co.uk; check it out and see what you think!

The café goes from strength to strength with Victoria Sponge being the cake of choice – once again!! With Lemon Drizzle and Cappuccino cakes bringing up the rear once again. With the colder weather just starting, we have branched out into soup and a roll. There is nothing better than a warming bowl of soup on these cold days. So far, we have only had Carrot & Coriander and Leek and Potato. Now, these aren't the powdered 'just add water' soups. These are proper HOME MADE soups and oh my goodness can't you just taste the difference!
